RE: Community Service Hours

To All High School Students and Parents:

Cornerstone Christian School requires a minimum of 80 hours of community service prior to graduation.

All community service hours must be submitted to either the Registrar or College Advisor prior to the last day of the school year in which the hours were performed in order for the hours to be accepted. Any community service hours performed before the last day of the school year which are not submitted will be void.

For example, if you perform 25 hours of community service in your junior year, those hours must be submitted prior to the last day of your junior year. As has always been the case, all community service hours will be based on the principle in Mark 10:45 which states, "For even the Son of Man did not come to be served, but to serve and to give his life as a ransom for many." Simply put, the type of service performed must involve the giving of your time and talents-without compensation.

If you have any questions, please contact me at 951-674-9381.

Sincerely,

Kevin Eagleton
